	Good to handle flowed through yards well. Some became agitated on scales but settled quickly.
Handled With	Dogs , Horses , On foot , Vehicles
Assessor Comments	Very good quality line of vendor bred steers that are an ideal 3 way cross of British/Euro and Bos Indicus, to perform given the right opportunity. Steers are soft fleshy cattle that show good shape with plenty of bone and stretch to grow on. Good cattle to handle, they flow through yards well and are easy to draft. Odd one agitated in crush and settled quickly. Typical temperament of weaners. Vendor has 23 heifers in same sale.
