Assessor Comments	Very good quality line of vendor bred heifers that are an ideal 3 way cross of British/Euro and Bos Indicus, to perform given the right opportunity. Heifers are soft fleshy cattle that show good shape with plenty of bone and stretch to grow on. Heifers would feed on well to suit domestic trade. Heifers wouldn't disappoint as replacements. Good cattle to handle, they flow through yards well and are easy to draft. Odd one agitated in crush and settled quickly. Typical temperament of weaners. 1 heifer blue spot in off side eye. Vendor has 45 Steers in same sale.
