Steers handle well through yards, odd steer left crush quickly and a few steers in holding paddock unsettled. Overall temperament good.

Assessor Comments	Very good run of Poll Hereford steers 14-15 months, by Mountain Valley and Tycolah blood bulls. Steers are in fresh store condition showing plenty of growth and frame for age. They are running on quality oats and lucerne pasture going forward. Steers are grass fed, antibiotic free. They would suit grass finishing or feedlot operations. Steers are tops of autumn drop calves. Vendor has 202 cattle in sale. One steer with cloudy eye. Great opportunity to buy an outstanding run of Poll Hereford steers highly recommended.
