Heifers handle well through yards, odd heifer left crush quickly and a few heifers in holding paddock unsettled. Overall temperament good.

Assessor Comments Poll Hereford Heifers 10-11 months, by Mountain Valley and Tycolah blood bulls. Heifers are in fresh store condition showing plenty of growth and frame for age. They are running on quality oats and lucerne pasture going forward. Rare opportunity to purchase a line of top Poll Hereford heifers from Deloraine Rural, they are the tops of spring drop heifers (none retained). Heifers are a very attractive line of female cattle showing all the quality attributes of the breed. At assessment heifers weighed 262-359kg full. Great opportunity to buy an outstanding run of Poll Hereford heifers as future breeders, highly recommended. Note vendor has 202 cattle in sale.
