Assessor Comments 17 Quiet Friesian Steer Weaners that are well weaned and on the go. These Steers are 4-6 months old and have had a

	very good start on a customised silege and grain ration and are performing very well. They are out of very large, deep cows and will grow into big steers with plenty of bone. They have been dehorned and had their health treatments. Note 1 had fresh pinkeye so was treated properly and covered as per photo. *Please note vendor has 2 other lots in sale
