Assessor Comments	Watervalley bred 43 seconds draft Wateralley Black Heifers Preg Tested EMPTY by the local vet. The heifers are fresh condition and on the improve, they are principally 2020 drops. Some heifers would have some Bos Indicus influence. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. (Buyers can purchase both lots of Blacks to make a neat B Double load.)
