Quiet: 24 head	Quiet: 10 head Slightly Stirry: 14 head	Temperament not assessed in Paddock

Good cattle to handle in larger yards becoming slightly unsettled and stubborn leading up to race. Some heifers unsettled in crush whilst being preg tested but settled down well after release

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A rare opportunity to purchase the first run heifers from Crooble Red Angus commercial herd. These heifers are large bodied with plenty of length and thickness and are safely joined up to Crooble Peabody who is by Barndance. Pregnancy tested to be 3 to 6 months in calf with the majority (19 head) 5 to 6 months. Great weight for age and would be a great asset to any breeding herd
