Very quite easy to handle cows that were a pleasure to work in the yards was one cow that was agitated if cornered.

Handled With: Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments: A smaller quality run of young PTIC females 4-5years of age that present a great opportunity to purchase young females in calf to the Palgrove and Glenliam sires with 2 under 4mths and the balance 4mths plus PTIC and on their second calf. Lots of scope in the young females with great length and depth of body. Quiet easy to handle cattle with their lives ahead of them and would fit into a commercial cow herd that is rebuilding numbers with ease. Same vendor also has another 2 lots in

	same sale.
