| Assessor Comments  | A quality line of well bred F1 and F2 Speckle Park heifers by Glengarry Gunslinger, out of the Bowan Park Cows. These heifers exhibit great depth and bone for their age and were very quiet to handle. PTIC to the son of Maungahina Kidmans Cove [see photos], these heifers represent a tremendous opportunity to acquire some reputable genetics to retain as future breeders. NB one heifer has one cloudy eye, deemed not detrimental. |                                                          |                |      |                                     |      |     |      |
