Assessor Comments	An outstanding draft of 4YO Cows with their second calves at foot. Calves are sired by high indexing Merridale Angus Bulls and are renowned performing cattle through the Central Victorian region. These cows were purchased as weaner heifers from the weaner sales in the Western District and Monaro Regions and are mainly Hazeldean and Barwidgee blood. These cows have age on their side and will mature into lovely cows and with the right conditions and with their genetic capability the calves should grow at a fast rate. These outfits should appeal to the most discerning of buyers.
