Assessor Comments: A nice draft of 7YO 'J branded' Cows with their autumn drop calves at foot. Calves are sired by high indexing Merridale Angus Bulls and are renowned performing cattle through the Central Victorian region. These cows were purchased as females from Maria River Cattle Co. on the Northern Tablelands of New South Wales and are 100% Texas Angus Blood.

	These are nice roomy females I would describe as med/large framed with nice sappy calves at foot and with the right conditions and with their genetic capability the calves should grow at a good rate. These cows would fit into most high performing herds.
