Quiet: 16 head	Quiet: 14 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Cows were Very good to handle through the yards & walked through the crush with minimal fuss.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Offered today is the complete herd dispersal of the McLeish Cows & Calves. Offered over 3 lots in this sale for a total of 45x45 cow & calf units. They are 3.5-6.5 years of age & are of medium to large frame. Cows have been sourced ex Auctions Plus as cows & calf units, with the bulk of the 4-6 year old cows either bred by Hazeldean Angus or Table Top Angus, & the 3 year old cows being the vendor bred portion are sired by The Glen bulls over the Hazeldean bred cows. These cows are in the prime of their life & are doing a great job on their 5-12 week old calves consisting of 11 steers 5 heifers in this line. Ideal article to increase numbers in an existing herd or to start from. Ready to take home & join to a bull of your choice. Buyers please note 4 cows noted with a splash of white on their udders & 2 cows noted with poor structure in their front feet is not affecting their ability to rear a calf.
