Temperament

Yards	Crush	Paddock
Quiet: 5 head	Quiet: 5 head	Temperament not assessed in Paddock

Out of the 3 lots assessed today and selling these were the quietest of the lot. Nice temperaments in these cows.

Handled With	Bikes , Vehicles
Assessor Comments	A line of Speckle Park cows and calves, that are the quietest of the lot. Easy cows to handle and work through the yards with. Autumn born calves at foot by registered Speckle Park bulls Hillview Ned and Glengarry Pickup. Currently running back with white registered Speckle Park bull Baw Baw Speckle Park Q6 since 23/5. On assessment these cows were still sound looking for a few more years of breeding. Cows in terrific condition that should winter well with these calves and give you a weaner to sell later in the year during the peak selling months. Selling these cows as F1s (speckle park /Angus cross) Please note vendor has another 2 lots in this same sale.
