| Assessor Comments | 11 second calvers, PTIC EU Angus cows. A wonderful opportunity to buy from this commercial focused , performance recorded, highly regarded Angus herd. Extensive AI done in the last 12 years using Angus Australia sire evaluation sires. Angus bulls are selected to breed moderate frame, fertile self replacing females with emphasis on shape(EMA), positive rib and rump and marbling. Steers from this herd are highly sought after by major feedlots. All females must rear a calf each and every year with just a six week joining or are not retained. Full breeding details available on all females. Bloodlines used include Pathfinder, Rennylea, Outwest, Aryvale & Clunie Range. One cow has white under her udder through to her brisket. Please note there is one 4th calver in the mob. The purchaser has the option to take or leave this cow. |
