Assessor Comments	A nice line of Angus/Friesian X Heifers AI'd to the Limousin Bull to calve in July. These were very quiet Heifers to handle in the yards and crush and also in the holding paddock. All Heifers took to the AI so will calve in a very short period in July. These Heifers will continue to grow on and will be nice Vealer Mothers for the future. Realistically reserved at \$1800 I think they are great buying.
