| Assessor Comments | Watervalley bred 18 Top draft Wateralley Black Cross Heifers PTIC 5 - 8 mths to Watervalley Black bulls. The heifers are fresh forward condition. (Black crosses will have some white markings on them, a % of horns and some heifers would have some Bos Indicus influence.) A good lot of easy calving heifers for future breeders. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. (Buyers can purchase both lots to make up a bigger line). Note there are 4 x lots of unjoined sisters in Friday 11th June Weaner and Yearling sale for your viewing. |
