Assessor Comments	This line of 40 x 40 heifers and calves, were purchased as Young heifers and were pregnancy tested in calf to what appear to be top quality Charolais bulls. These heifers have been given the opportunity to calve down on "Messines" and sold as heifers and calves. This is their first calf. The age branded heifers are all number 8's and 9's. Ideal units to rejoin and prosper from weaners in the near future. Breed description is best taken from photos of cattle. Good cattle to handle in paddock and yards. Neat 3 decks in this lot.
