Handled With	very good cattle to handle Bikes , Dogs		
Assessor Comments	A small but very good line of Angus cross heifers and calves. These heifers are doing an outstanding job on their calves and have had the opportunity back to the Booroomooka Angus bull for a full joining. Calves average 180kgs and the heifers should be back in calf. These heifers and calves were very quiet and easy to handle in the yards. Calves have been market and vaccinated.
