	very good heifers and calves to handle in the yards							
Handled With	Bikes , Dogs							
Assessor Comments	A line of very good Angus heifers and calves that all calved unassisted. These heifers are doing a great job on their calves. Calves average 168kgs with 7 steers and 6 heifers that are all by the Booroomooka bulls. These medium frame heifers have had a full joining back to the Booroomooka Angus bull and should be in calf. These heifers were very easy to handle in the yards and would be ideal to retain as future breeders.
