Assessor Comments	Registered Murray Grey 3yo cows bred by Errowanbang Murray grey stud that are PTIC to a top quality Rosehill Speckle Park bull to commence calving early October. These quality heifers are exceptionally quiet cattle that are a pleasure to handle and have done a great job on their current calves. All the hard work has been done with these cows that are in their breeding prime and will mature in to quality soft cattle. Please note one cows has slight pink eye scarring in one eye which does affect vision and is not deemed detrimental (please refer photo)
