Assessor Comments	Perfect vealer mothers right here, Heifers have plenty of milk underneath and are doing a good job on their young speckle park calf, they present in good condition and will continue to go forward both Heifer & calf. 3 heifers had slight pink eye damage and were treated and then treated again whilst assessing to make sure they have a full recovery. Exceptional article, temperament plus and beautiful speckle park calves at foot.																																
Assessor	Reiley Murtagh (Level 2 Accredited) Phone: 0455 550 625
