Assessor Comments	5x5 Speckle park friesland X Heifers 2 Y/O with Angus CAF Not rejoined. Bucket reared heifers that are quiet and easy to handle. All heifers calved unassisted and are doing a great job on fresh sappy calves. Ready to join again to the bull of your choosing these great young vealer mothers will continue to grow and produce quality calves for years to come. Great number to top up a mob or good temperament for small holding.
