| Assessor Comments  | Quality line of breeders heifers PTIC to registered Angus bull Fernliegh M40. Joined for an 8 week period to commence calving late August. Originally purchased off Auctions Plus in September as future breeders. Soft skinned quiet heifers presented in forward condition, all heifers are starting to soften nicely. Medium to large framed long bodied heifers showing plenty of length and depth and square hipped. Please note that one heifer has facial warts that don't appear to be detrimental. Highly recommended |                                           |           |      |                                     |      |   |      |
