Assessor Comments	Quality line of pure Ireland Angus PTIC heifers joined to registered Leawood Angus P474. To commence calving late August for an 8 week period. Large framed heavy heifers presented in forward condition. Big square hipped heifers showing plenty of length and depth. Heifers all have breeding information in their ear tags that can be traced back to Ireland registered cows. Please note that one heifer has recently developed pinkeye which has been treated twice. Highly recommend these outstanding heifers
