Handled With	Cows great to handle under a calm environment, one did become slightly stirred in crush. On foot , Vehicles

Assessor Comments	A quality line of cows with plenty of growth, length and capacity about them. These cows still have plenty of life ahead of them, with sound udders and mouths, presenting in forward condition. Purchased from a Wattle top based herd this line of cows have calves every year and have just had calves weaned off them. They would be a great asset and are ready to join
-------------------	--

Assessor	to the bull of your choice. Please note cows do have some white on udders. Helen De Costa (Level 3 Accredited)
