Temperament	Yards		Crush		Paddock	
	Stirry: 15 head		Stirry: 15 head		Temperament not assessed in Paddock	
	Aggressive: 4 head		Aggressive: 4 head			
	Cattle where very unsettled in yards and a few did become aggressive. They are manageable for experienced handlers. Understandably did become agitated in crush whilst being mouthed, again some becoming aggesive. They did however settle in large holding yard as per video. Again, nervous and agitated although manageable. Vendor states that they are “quite inquisitive in paddock and will peacefully come to Ute, Very respective to being handled with dogs in paddock”					
Handled With	Bikes , Dogs , Horses , On foot , Vehicles					
Assessor Comments	19 x 3 year old PTIC Angus cows. Predominately Glenruben blood with some Rennylea bloodlines. Cattle where purchased on AuctionsPlus early 2020 as PTIC maiden heifers from local Holbrook breeder. Have been preg tested to Yarawa South Poll Hereford Bull P28. Please note: One cow had white udder/naval. 2 cows had pink eye scaring.
