	Quiet: 8 head	Quiet: 7 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
Handled With	Very quiet, well handled Heifers only one became slightly agitated throughout handling process. settled very quickly when back with the mob.		
	On foot , Vehicles		

Assessor Comments	Very good quality vendor bred rising 2 Y/O Poll Hereford Heifers PTIC to Low birthweight Wirruna Bull (WNAP320). to commence calving early august for 7 weeks. Vendor has been using pure Wirruna genetics for the past 10 years. Very quiet and easy to handle heifers are in good calving condition and would make a great addition to any operation with years of production ahead of them.
