Assessor Comments	The Mackenzie family have been breeding quality Hereford cattle since the the early 60's. All Angus / Hereford cross heifers are on offer out of stud and commercial breeders with the stud commencing in August 1976 with the Prefix RJM. Heifers from Hereford lines in this cross have come from years of solid breeding. In recent years bulls have been home - bred and selected from Wirruna and Yavenvale studs. Heifers Present in store condition and have been drenched vaccinated and deloused at assessment. PTIC to Angus bulls from Seaforth, Wattletop and Millah Murrah. One heifer has warts on face refer photos and one with some slight pinkeye scarring but not deemed detrimental. Note two lots from vendor in this sale totaling 39 heifers. Excellent opportunity for purchasers to secure hard to find quality line Black Baldy breeders and take advantage of favorable seasonal conditions.
