Quiet: 5 head

Temperament not assessed in
Paddock

Very kind, sensible females to handle throughout assessment. Led up the race quietly to be assessed and weighed, stood calmly and exited at a walk. Very easy females to deal with. Let out into large yards for photos and videos, and even with more space to move, they were happy to stand and relax.

Handled With Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments Very big framed matrons that won't keep you waiting long before they start putting calves on the ground. Long, deep bodied females with very good bone. All proven breeders that have produced a very good calf every year and will continue to do so for years yet to come. Please see movement restrictions. Note. 5 day delivery period. Please See Photos & Videos for full contentment.
