	The heifers were excellent to handle through the yards and pound and loaded quietly into the race and crush. A small % became agitated while mouthing but settled quickly once released							
Handled With	Dogs , Horses , Vehicles							
Assessor Comments	A good quality line of of crossbred PTIC heifers. They were a pleasure to handle through the yards and crush. Showing good bone and muscle, these heifers will make excellent replacements or additions to the herd. They are well handled with dogs and horses. The purchased heifers were ex the Kumbia district as light weaners last year. Heifers with all their lives ahead of them and will make excellent breeders. A % are showing the effects of lice and were treated at assessment for the benefit of the buyers. Please view photos.
