Assessor Comments	A very good line of Angus cows and calves. Mouthed 2 cows - very sound. Only 3 age brands read - all No. 2. Purchased ex Auctionsplus as 8/9 year old cows PTIC. Cows were good to handle in yards and crush. Note some cows have smokey eyes but not detrimental. Large frame cows - calves at foot are good quality and sappy. Calves 4 male, 3 female - weight range from 49 to 82 kg to average 71kg. Ideal cows and calves to fatten and split or keep cows on for another year. Please note - vendor has another lot of cows and calves this sale. Vendor offers free delivery within 100km of Tara.
