	Nice cows to handle throughout the yards. 1 cow agitated in crush and race but soon settled when returned to the mob. These cows didn't enjoy being mouthed at their age and the crush probably wasn't suitable to do so, they did get agitated but soon settled.		
Handled With	Bikes , Dogs , Vehicles		
Assessor Comments	Big roomy matrons with plenty of street cred! These big girls have been great servants over the last 10 years and have 1 more calf in the chamber for 2021. Not withstanding they could go on and have more if requested. Cows are heavy and in fat condition. Due to age they carry the odd fault that one would attribute to age, please bare this in mind at time of delivery. Could have the odd old blue eye etc not detrimental. 4 red tags and 3 Blue tags.
