Handled With	Bikes , Dogs , On foot , Vehicles		
Assessor Comments	A good line of Droughtmaster & Droughtmaster X cows & calves. These cows are well handled and doing an outstanding job on their calves. Ideal cows to put away on crop/pasture and join/calve again or split and sell. Calves VGQ and will make trade vealers and or heavy slaughter cattle. Cows have been running on wet ground and will explode very quickly with some sun on their back as the feed hardens up.
