Assessor Comments	A quality, select offering of Angus cows & calves. The cows are in the prime of their lives and are just coming on 6 years of age. Fertile and consistent breeders since calving down at 2 years of age, having a calf every year. The cows stand on good frame, with length, depth and width body. Good volume, functional and feminine cows presenting with good sappy calves at foot. The cows have had the opportunity for the last month with an exciting young Speckle Park sire KWH R5. The bull will remain in until delivery. A very good chance of buying 3 in 1 units.
