Assessor Comments	These are a nice line of Charbray cross Brangus heifers, just starting to do after a cold wet winter having come from a hard dry summer season in the North. They have been joined to Palgrove Ultra Black bulls for a 10 week joining period. These heifers will continue to go forward this spring to grow into nice breeding females. These are the coloured heifers out of the main draft of Ultra Black females also listed in the same sale. NOTE - one heifer with stumpy tail NOTE - notice wart on cheek of one heifer
