Assessor Comments	A quality line of Angus heifers joined to Bannaby, Yamba Angus bulls and a Waratah Speckle park bull. These heifers would suit someone rebuilding their herd. Noted, were 2 heifers with white on their udders, and also 2 with old pink eye scarring. These heifers were purchased on Auctionsplus in March 2020 to grow out and join. Two heifers have been depastured with the Angus bulls. The Angus bull went in on the 29/11/20 and come out on the 31/1/21. The remaining 14 heifers have been depastured with a Speckle Park bull. The bull went in on the 19/02/21 and come out on the 07/05/21.
