Assessor Comments	**Future Breeders** Excellent opportunity to purchase a line of PTIC Glenlyon Shorthorn Heifers with 60 years of breeding behind them. These heifers have plenty of frame and shape will keep developing into ideal breeders. Backed by some of the best Shorthorn genetics in the country the frame and growth for age won't be wasted on the most discerning buyer. Two sires represented are Bayview Abraham M108 who won the top honours in Dubbo 2018 and Sprys Elles Ace K61 and out of the heart of the Glenlyon cow herd. Heifers are PTIC to Glenlyon Horizon P04 (Son os Sprys New Horizon) See photos for Picture of Horizon P04 Heifers comprise of 8 x Roan, 6 x White and 4 Reds All the eyes are clear and heifers are starting to show. Glenlyon Cattle have had good results in the Thousand Guineas program as well as grass only/antibiotic free programs. Note: See videos
