Assessor Comments A small line of well grown F1 Heifers that are right up on the job to a Limousin Bull. Bred from a quality Friesian Herd these Hfrs are even in size and in perfect calving condition. Prime, but not overdone. Ideal as replacements in a Vealer producing herd. Attractive young females that are a good example of the Angus / Friesian type. Observant Buyers may notice a Hfr without an eartag in the photos or videos - she is empty and not included in the sale but was in the mob at the time of photographing. Note that Fit To Load protocols will be observed. Also note that Semis and B-Dbles are not able to access the property.
