|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments | Good quality Mumblebone & Lansdowne Blood wethers March/April 2018 drop + 1 rising 5 year Egelabra wether in the mob. Approx 200 vendor bred & approx 400 purchased. Ideal woolgrower wether replacements, medium to large frame in strong forward store wool growing condition - sheep that have room to fatten into heavyweight mutton. The Vendor bred wethers are mulesed , the purchased wethers are not mulesed. |
