| Assessor Comments                               | A nice line of young Aussie white Ewes safely Scanned in lamb to the Tattykeel Aussie White rams. Ewes present in ideal condition to lamb down as they are not carrying any excess condition. Ewes are in lamb to a good quality Tattykeel ram giving the purchaser the opportunity to retain some quality genetics. Ewes are true to type and show good length of body and given the right opportunity should continue to grow into nice females. Ideal line of ewes for the smaller operation or some one looking to add to there flock numbers. Ewes are only been sold as a result of sale of the property other wise would |
