Assessor Comments	This is a good top up of first cross ewes that are ready to join in the spring. These ewes are just coming up to one year old and are well grown for their age. They are bred from large frame Western Langdene Merino ewes by top grade Talbregar Border Leicester rams. These ewes are as dropped, only joining a few Merino ewes to Border Leicester rams. These first cross ewes are true to type and will not disappoint for a top up line or starter line, a must to consider.
