Assessor Comments	This is an excellent line of 1st cross ewe lambs that would not be out of place in the front paddock. They are bred from large frame classes Langdene blood Merino ewes by Mallarah Border Leicester rams. Ewes are very well grown for their age which shows in their weights. Ewes are true to type with length, depth and plenty of bone. These ewes would satisfy the most particular buyer and will not disappoint. These first cross ewes are bred for growth and fertility, a must to consider.
