Assessor Comments	A very nice line of yearling steers that present very evenly. They have been well handled and a pleasure to work with, these steers have had a good start in life & will go ahead on grass, crop or grain. The vendors cattle have performed well in feedlots over the years with good results. 'Baroona' has used quality Angus, Shorthorn and Santa bulls for many years which shows in the quality of these steers. Buyers will not be disappointed. 12 of these steers were purchased from a neighbour which show similar quality's and traits to vendor bred steers, all the bigger cattle were mouthed & were found to be milk tooth, the Vendor has 33 similiar weight heifers in the same sale to make up a light B Double.
