| Assessor Comments             | An excellent opportunity to secure 52 medium to large framed vendor bred crossbred weaner heifers consisting of predominantly Santa/Angus/Charolais lines. These heifers have the potential to suit a backgrounding operation or as future breeders. Please note that 3 head are branded #0 and have been mouthed with 2 teeth, and 5 head have approx 1-2 inch horns. These heifers were yard weaned and tailed in March and were quiet to muster in the paddock. Approximately 7 slightly storey in yards and crush. Overall a line you can be confident to secure.
