Assessor Comments	**MASSIVE COMPENSATORY WEIGHT GAINS AVAILABLE** Buyers benefit - on offer are a top quality line of Santa Gertrudis steers that have a great length of body along with large frames. These steers would ideally suit those with access to an abundance of oats. Don't miss the opportunity to secure a line of store condition steers that are just waiting to power ahead. Please note that there are two steers that are showing stronger male characteristics see the last photo, one steer has a slight curve along nose, view second last photo, and one steer has a small waterbag purse. Not deemed detrimental. With the backing of Waco genetics and perfect combination of frame and condition, these steers provide a rare chance to start seeing the gains as soon as they step into the oats paddock or on feed! Please note vendor also has another line of 27 Santa Steers 432kg at assessment available in the same sale.
