	Slightly stirry cattle were only while being mouthed in crush. Once released they settled back into the mob. Two steers are freshly weaned and behaved well considering their limited amount of handling.		
Handled With	Bikes		
Assessor Comments	An opportunity to buy a quality & quiet line of Charolais/Charbray steers. Steers are ideal to put back in the paddock as backgrounders and could be taken out to either trade weight steers or heavy feeder weights. Steers were a pleasure to handle in the yards. Buyers please note 2 steers were weaned at assessment.
