	Heifers stirred a little while processing through crush, once back with their mates they quickly settled, Heifers were quiet in paddock on inspection day.		
Handled With	Bikes , Dogs , On foot , Vehicles		
Assessor Comments	A nice group of 8 Charbray type heifers, ideal feeder type heifers that are already on the move or Ideal as replacement heifers for a future breeding program . Only 1 heifer with hump with the balance all being flatbacks. Vendor was keeping heifers as replacements but now has changed his direction to a different program. These are a nice style of heifer with good frame and bone
