Assessor Comments	A great opportunity to purchase light weight, low dollar Brahman weaners coming off trap country that will do very well on improved nutrition. Our vendor is doing all the hard work in yard weaning with a huge 20 hour yarding / weaning prior to assessment . Heifers weighed 171kg to 242kg to average 192kg. No weight adjustment has been allowed for in weaning - make your own assessment. Vendor has 2 other lots in the same sale for a total of 119 head.
