Assessor Comments	Outstanding line of vendor bred Angus yearling steers. Bred in the purple, out of a very strong Angus cow base, sired by Elite Angus bulls. These steers are the tops of their drop and weighed 306kg - 374kg (at assessment), steers have been on a rising plain of nutrition with fresh rye grass based pastures. This herd has produced steers into feedlot programs for many years, with sound performance feedback documented. These steers will perform at the highest level and will hit any targeted market.
