Assessor Comments	A rare opportunity to purchase an excellent line of vendor bred Angus heifers. Heifers are preg tested empty and are ready to join to the bull of your choice! These heifers are by leading sires sourced from Eagle Hawk, Cascade, Booragul Angus and Clunie Range Angus bulls and out of Angus cows from the highly classified Glen Moan Station Herd. Heifers exhibit good frame, are deep bodied and would make excellent mothers. Heifers are grassfed eligible and would also be highly suited to grow out and feed on for domestic or export markets. Buyers please note odd heifer with blue eye ND, approx 5 heifers with a very small patch of white on the undercarriage.
